A Thought for the Week:

by Serena Williams (23 times grand slam singles titles)

Week 1: "Not only do I expect to win, I expect to win emphatically."

Week 2: On being the one to beat- "That's what makes me great, I always play everyone at their greatest, so I have to be greater."

Week 3: On her drive-"It was something I was born with, I always want to continue to go forward."

Week 4: "I don't like to be satisfied with a great result. I want to continue and do more."

Topic: The Saint's True Measurement-A person can either feel a false elation or an unnecessary spirit of dejection when he measures himself by another. The only true standard of measurement is the Word of God. This sets each person straight.

Word for the Month – Abba--"daddy" (in Aramaic)

Tips For Test Driving A Car (excerpts from Joel Beck)

Buying a new car is pretty Stressful. You need to be on the lookout for tricks and sketchy tactics used by some car salespeople. Here are some helpful tips to follow when you're ready to take some cars out for a spin.

1. **Do your homework**-Research ahead of time the reviews and ratings of the cars that interest you the most.
2. **Size Matters**-Make sure you have the room to fit the new vehicle, i.e. driveway, parking space or garage.
3. **How does it feel?**-Does it handle and accelerate well? Does the steering and handling feel comfortable?
4. **Safety First**-Ask about air bags, anti-lock brakes, rearview cameras, automatic braking, etc.
5. **Know your bells and whistles**-Looking for a heated steering wheel and seats? Bluetooth phone and audio capabilities? GPS navigation and smartphone app options? Check them out during the test drive.

Mission Statement

Our mission is to perpetuate the gospel of Jesus Christ (the good news of the death, burial and resurrection of our Lord and Saviour). We want to proclaim these glad tidings to all, to provide a clear and direct route to God, to prepare all that will believe and receive for the much anticipated great and glorious return of our Lord.
