Thoughts of the Week

by Dr. Myles Munroe

Week 1: Regardless of title, you cannot be a leader without followers.

Week 2: Great leaders never desire to lead but to serve.

Week 3: A leader who knows who he is, does not depend on others to validate his sense of self-worth.

Week 4: Courage is resistance to and mastery of fear, not the absence of fear.

- The words for prayer have a touch and tension in their varied meanings, which reveal its many-sidedness and potency. We will look at some on those sides (i.e. "Shaal", "Chanan", and "Athar") to name a few.

Practical Life Tidbits

New Indiana Laws

July has brought new laws to Indiana we should be aware of these. Here are six-among many- that takes effect July 1st in our Hoosier state. Teach children to walk, not run, across the street.

1. **Move over, slowpokes**--police can ticket motorists in the left lane if they hold up faster drivers behind them and don't move to the right. Max fine is \$500.
2. **Extending justice for rape victims**--prosecutors can file rape charges after Indiana's five-year time limit has expired (three sets of circumstances apply)--Senate Bill 94 (Jenny's Law) fixed loopholes.
3. **Religious Freedom**--Senate Bill 101 (RFRA) prohibits a government entity from "substantially burdening a person's exercise of religion"-unless the government can show it has a compelling interest to do so.
4. **Overhauling Indiana's tax sale system**--Senate Bill 415 gives local government new tools to fight blight. Under the new system vacant homes sold at tax sale will be transferred immediately.
5. **Legalizing manufactured sawed-off shotguns**--Indiana residents can legally own manufactured sawed-off shotguns--defined as shotguns with barrels 18 inches long or less and overall lengths of less than 26 inches.
6. **Beheading can trigger death penalty**--If a murderer decapitates his or her victim while the victim is still alive, that person may face the death penalty.
