A Thought for the Week:

by Maya Angelou

Week 1: Have enough courage to trust love one more time and always one more time.

Week 2: If I am not good to myself, how can I expect anyone else to be good to me?

Week 3: We need much less than we think we need.

Week 4: If you don't like something, change it. If you can't change it, change your attitude.

Week 5: If you're always trying to be normal you will never know how amazing you can be.

Topic: The Saint's True Measurement-A person can either feel a false elation or an unnecessary spirit of dejection when he measures himself by another. The only true standard of measurement is the Word of God. This sets each person straight.

Mission Statement

Our mission is to perpetuate the gospel of Jesus Christ (the good news of the death, burial and resurrection of our Lord and Saviour). We want to proclaim these glad tidings to all, to provide a clear and direct route to God, to prepare all that will believe and receive for the much anticipated great and glorious return of our Lord.
