Practical Life Tidbits	4

## Welcome

To all our visitors, family, and friends; it is with the greatest pleasure that we welcome you. It is our desire that you will receive a blessing. Remember, you always have an open invitation to worship here at Good News. Because being here today was not by chance, but ordained by God—A long time ago. May GOD bless you richly!!!!

Pastor Drayton Travis and First Lady Mattie Travis

### Christian Bulettoon

## Thoughts of the Week

- Week 1: "When you get up in the morning, do you say, 'Good Lord, morning!?' Or do you say, 'Good morning, Lord!?'-George Goldtrap
- Week 2: "To stand on one's legs and prove God's existence is a very different thing from going on one's knees and thanking Him."--Soren Kierkegaard
- Week 3: "The most important prayer in the world is just two words long: 'Thank you.' "  
-Meister Eckhart (1327 A.D.)
- Week 4: "Father, bless us according to our thanklessness, lest Thou bless us according to our thankfulness, and we starve."--anonymous
- Week 5: "Football-speak theology" -Bench warmer: An inactive church member/Fumble: A lousy sermon/Illegal motion: Leaving before the benediction.-Bill Ellis

--Continued ...Developing A Powerful Prayer life--

In order to "Develop A Powerful Prayer Life" there are two preliminary principles to remember. There are three practical guidelines for powerful prayer and eight principles of powerful prayer.

**Lesson for the Month: Overcoming Fear**

The youth this month will discuss overcoming fear and continue to learn the poem "Our Deepest Fear" by Marianne Williamson and recite Sunday, November 15<sup>th</sup>

**Youth Outing** - Community Service Project ....more information will be provided

## Practical Life Tidbits

### Tips for Fire Prevention

Fires destroy homes every day. There are some things that you can do to diminish your chances of getting burned by this catastrophe.

- Unattended cooking is a leading cause in kitchen fires. If you need to leave the room, even for a minute, turn off your stove.
- If you use candles, ensure that they are at least 12 inches away from anything that can burn. Never keep a candle lit in a room that is unattended.
- Don't store flammable liquids (fuel, cleaning supplies, paint etc.) near a heat source.
- Ensure that your electrical appliances/devices don't have frayed cords or plugs. Also, don't overload your outlets with plugs. Unplug items when they are not in use.
- Never put wooden utensils in your dishwasher. If it were to fall on the heating element during the drying cycle, it could catch on fire.
- Don't tackle electrical projects on your own. If something needs to be rewired, leave it to a professional.
- Never leave a fire in the fireplace unattended and be sure to remember to open your damper to avoid smoke damage.
- Be sure to keep your clothes dryer vents clear of lint to avoid fires in the laundry room.

Be prepared should a fire occur. Have a fire extinguisher in your home. Be sure to have at least one working smoke detector on each floor of your home and test them monthly. Have an escape plan in place that all family members know in the case of a fire. These things could save your life!

### Mission Statement

Our mission is to perpetuate the gospel of Jesus Christ (the good news of the death, burial and resurrection of our Lord and Saviour). We want to proclaim these glad tidings to all, to provide a clear and direct route to God, to prepare all that will believe and receive for the much anticipated great and glorious return of our Lord.
