A Thought for the Week:

by T.D. Jakes

Week 1: God is not preparing the Blessing for YOU, He is preparing YOU for the Blessing.

Week 2: Surround yourself with people whose definition of you is not based on your history, but your destiny.

Week 3: If you can't figure out your purpose, figure out your passion. For your passion will lead you right into your purpose.

Week 4: Stress and worry is a residual of relying on yourself and being your own god, in control of everything. Worship allows us to rely on God's power to steer us through life.

Practical Life Tidbits

History of Veterans Day

World War 1 - known at the time as "The Great War" - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France.

However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of "the war to end all wars."

An Act approved May 13, 1938, made the 11th of November in each year a legal holiday - a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as "Armistice Day."

On June 1, 1954 legislation approved November 11th a day to honor American veterans of all wars. Thus striking out the word "Armistice" and inserting in its place the word "Veterans".

Mission Statement

Our mission is to perpetuate the gospel of Jesus Christ (the good news of the death, burial and resurrection of our Lord and Saviour). We want to proclaim these glad tidings to all, to provide a clear and direct route to God, to prepare all that will believe and receive for the much anticipated great and glorious return of our Lord.
